6	A Report of an Ethnographic Survey of Gindalbie Metals Ltd's Proposed Drilling Project Located on Mining Tenements M59/721, M59/644, M59/645, M59/649, G59/38 and G59/39 with the West Badimia and Widi Binyardi Native Title Claimants	April 2008	Yamatji Communications
7	A Report of an Ethnographic Survey of Gindalbie Metals Ltd's Proposed Drilling Project Located on Johnnys and Hippo Prospect, Proposed Accommodation Camp and Proposed Airstrip with West Badimia and Widi Binyardi Representatives	June 2008	Yamatji Communications
8	Archaeological Survey Report of the sites Hippo Prospect, Airstrip, Accommodation Village Camp and Johnny's Prospect at Gindalbie Metals Ltd Conducted with Widi Binyardi and West Badimia Native Title Claimants	May 2008	Yamatji Communications
9	Volume I: Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants

#	Title	Date	Heritage Consultancy
10	Volume II: Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants
11	Volume III (Sites): Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants
12	A Report of an Archaeological Survey of Karara West, Lister, Brak, Hinge and Moodyne Project Areas, Near Mount Karara, WA	July 2008	Yamatji Communications
13	A Report of an Ethnographic Survey of Gindalbie Metals Ltd's Proposed Drilling Areas Located on Lister, Brak, Hinge, Moodyne and Karara West Areas, with West Badimia and Widi Binyardi Representatives	July 2008	Yamatji Communications
14	The Report of an Aboriginal Ethnographic Survey of the Four Traverses, South East of Paynes Find, Western Australia	October 2007	Yamatji Communications
15	A Report of an Ethnographic Survey of Gindalbie Metals Ltd's Karara and Mungada Project Proposed Railway Option with the Widi Binyardi Native Title Claimant Group	February 2008	Yamatji Communications
16	The Report of an Archaeological Salvage Program of Registered Sites ID 26485 (MIOP08 Terapod Artefacts 01) and 28481 (MIOP32 Terapod Gnamma 01) within Karara Mining Limited's Terapod Project Area Conducted by Terra Rosa Cultural Resource Management and the Widi Mob, Widi Binyardi and West Badimia Traditional Owners	June 2011	Terra Rosa Cultural Resource Management
17	The Report of an Aboriginal Archaeological Survey of the Jasper and Hinge Iron Ore Projects, Morawa, Western Australia	November 2011	Gavin Jackson Cultural Resource Management
18	Report of the Salvage of Two Registered Aboriginal Archaeological Sites on the Karara Mining Lease, Midwest Region, Western Australia	November 2011	Gavin Jackson Cultural Resource Management
19	Report of the Archaeological Site Identification Heritage survey of the Hinge, Hinge Haul Road, Karara Camp Extension, Ben's Surprise, Tom's Kitchen, Shine E, The Gap, Onga Extension, Lister/Gobo, Brak G, Brak South, Skeksi, Terapod East, Mystic, Weave and Horse & Pebbles proposed development	March 2013	Terra Rosa Cultural Resource Management

#	Title	Date	Heritage Consultancy
	areas within the Regional Exploration Priorities Project area, conducted by the Widi Mob Traditional Owners for Karara mining Limited		
20	Report of an Archaeological and Ethnographic Work Area Clearance Heritage Survey of the Crescent Proposed Development Areas with Tenement M59/649 conducted by the Widi Mob Traditional Owners for Karara mining Limited	May 2013	Terra Rosa Cultural Resource Management
<b>KML Mine Terapod Project</b>			
1	Consolidation Report of Proposed Iron Ore Exploration, Mining and Infrastructure in the Terapod and Blue Hills areas near Morawa, Western Australia	2010	Australian Interaction Consultants
2	A Report of an Ethnographic Survey of Karara Mining Ltd's Proposed Terapod and Blue Hills North Development Areas, near Morawa, Western Australia	2008	Yamatji Communications
3	An Archaeological Survey Report of Karara Mining Ltd's Proposed Terapod and Blue Hills North Development Areas at Mt Karara, near Morawa, Western Australia	2009	Yamatji Communications
4	A Section 18 Report of the Archaeological Surveys at Terapod, Near Mt Karara, Western Australia	2009	Yamatji Communications
5	Section 18 Report of Ethnographic Surveys of Karara Mining Ltd's Proposed Terapod and Blue Hills North Expansion Areas, Near Morawa, Western Australia	2009	Yamatji Communications
6	A Report of the Recovery of Previously Identified Lithic Artefacts at Blue Hills North, Karara	2010	Yamatji Communications
7	An Addendum to a Report of an Archaeological Salvage Program of Registered Sites ID 26485 (MIOP08 Terapod Artefacts 01) and 28481 (MIOP32 Terapod Gnamma 01) within the Karara Mining Limited Terapod Project Area, Conducted by Terra Rosa Cultural resource Management, the Widi Binyardi and Widi Mob Traditional Owners in October 2011. Artefact Relocation Program Addendum to a Report on the Archaeological Salvage Program of	October 2011	Terra Rosa Cultural Resource Management

#	Title	Date	Heritage Consultancy
	DAA Sites 26485 and 28481 within the Karara Mining Limited Terapod Project Area		
8	Volume I: Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants
9	Volume II: Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants
10	Volume III (Sites): Site Identification and Work Area Clearance Heritage Survey Report of the Mungada Iron Ore Project Area at Karara, Western Australia	May 2009	Australian Interaction Consultants
<b>KML Infrastructure Corridor and Weelhamby</b>			
1	Archaeological Survey Report of the Proposed Rail Corridor, Gindalbie to Morawa, Western Australia 1st Phase: Mt Karara to Weelhamby Lake	October 2008	Australian Interaction Consultants
2	Archaeological Survey Report of the Proposed Infrastructure Corridor, Karara to Morawa, Western Australia 2nd Phase: Weelhamby Lake to Morawa	November 2008	Australian Interaction Consultants
3	Ethnographic Heritage Survey Report of the Proposed Infrastructure Corridor between Lake Weelhamby Causeway and Morawa, Western Australia	September 2008	Australian Interaction Consultants
4	Ethnographic Heritage Survey Report of the Proposed Infrastructure Corridor between Mt Karara and Lake Weelhamby Causeway, Western Australia	September 2008	Australian Interaction Consultants
5	A Report of an Archaeological Section 18 Survey of Gindalbie Metals Limited Proposed Powerline and Haul Road Expansion from Lake Weelhamby to Mount Karara near Morawa Western Australia	October 2008	Yamatji Communications Pty Ltd
6	A Report of an Ethnographic Survey of Gindalbie Metals Ltd's Karara Iron Ore Project and Mungada Iron Ore Project Proposed Linear Infrastructure Corridor with the Widi Binyardi Native Title Claimant Group	August 2008	Yamatji Communications Pty Ltd
7	Ethnographic Site Identification Survey Report of the Proposed East Weelhamby Borrow Pit near Morawa, Western Australia with the Widi Mob	November 2010	Australian Interaction Consultants
8	Ethnographic Heritage Survey Report: Amangu Traditional Owners, Karara Mining Ltd, East Weelhamby Borrow Pit	November 2010	Big Island Research Pty Ltd

#	Title	Date	Heritage Consultancy
9	Ethnographic Heritage Survey Report: Karara Mining Ltd East Weelhamby Borrow Pit, Binyardi Traditional Owners	February 2011	Big Island Research Pty Ltd
10	Aboriginal Archaeological Site Identification Survey and Section 18 Level Recording at the East Weelhamby Lake Borrow Pit, Northeastern Wheatbelt Region, Western Australia	February 2011	Eureka / Brown, V
11	Section 18 Compliance Report of the Proposed Infrastructure Corridor, Phase 1 from Mt Karara to Weelhamby Lake, Western Australia	October 2009	Australian Interaction Consultants
12	Archaeological salvage within sections of Karara Mining Limited's Infrastructure Corridor and Water Pipeline Corridor, including reassessment of site KML PIC Artefacts 03 (DAA Site ID 26068) and recording of site Sandalwood Ground-A-1101, Mid West region, Western Australia		Eureka
<b>KML Water Pipeline</b>			
1	Ethnographic Heritage Survey Report of the Karara Mining Limited Water Pipeline from Mt Karara to the Twin Hills Borefield at Mingenew, Western Australia	June 2009	Australian Interaction Consultants
2	Site Identification Heritage Survey Report of the Proposed Karara Mining Ltd Water Pipeline from Mt Karara to the proposed Twin Hills Borefield at Mingenew, Western Australia	June 2009	Australian Interaction Consultants
3	Report of the Archaeological and Ethnographic Site Identification Survey of the Proposed Karara Mining Ltd Yandanooka Pipeline, Western Australia	September 2010	Australian Interaction Consultants
4	Section 18 Consultation Karara Water Pipeline for the Proposed Karara Iron Ore Project, Western Australia with the Binyardi Group	October 2010	Australian Interaction Consultants
5	Archaeological salvage within sections of Karara Mining Limited's Infrastructure Corridor and Water Pipeline Corridor, including reassessment of site KML PIC Artefacts 03 (DAA Site ID 26068) and recording of site Sandalwood Ground-A-1101, Mid West region, Western Australia		Eureka
<b>KML Powerline &amp; Substation</b>			

#	Title	Date	Heritage Consultancy
1	Widi Mob Site Identification Heritage Survey Report. Proposed Western Power Transmission Line Koolanooka to Three Springs Western Australia	September 2010	Australian Interaction Consultants
2	Binyardi Ethnographic Heritage Survey Report – Binyardi Traditional Owners – Karara Take-Off Point to Eneabba, Northern Section (Phase 1)	April 2010	Big Island Research
3	Amangu Ethnographic Heritage Survey Report – Amangu Traditional Owners – Karara Take-Off Point to Eneabba, Central Section (ET119 – TK129)	October 2010	Big Island Research
4	Aboriginal Archaeological Site Identification Survey and Recording for the Karara Power Line Upgrade Project, Northeastern Wheatbelt WA: Central Section (ET119 – ET129) (Amangu)	October 2010	Eureka
5	Aboriginal Archaeological Site Identification Survey and Recording for the Karara Power Line Upgrade Project, Northeastern Wheatbelt WA: Central Section (ET119 – ET129) (Binyardi)	October 2010	Eureka
6	Aboriginal Archaeological Site Identification Survey and Recording for the Karara Power Line Upgrade Project, Northeastern Wheatbelt, WA: Southern Section (ET119-ET03)	November 2010	Eureka
7	Aboriginal Archaeological Site Identification Survey and Recording for ERM Power Ltd.'s Proposed Power Station Development, Northeastern Wheatbelt, WA	November 2010	Eureka
8	Widi Mob Ethnographic Site Identification Survey Report of the Proposed Power Line Substation and Power Line Upgrade TK130 – TK140, North-Eastern Wheatbelt, WA with the Binyardi Traditional Owners	February 2011	Australian Interaction Consultants
9	Binyardi Ethnographic Site Identification Survey Report of the Proposed Powerline Substation and Power Line Upgrade TK130 – TK140, North-Eastern Wheatbelt, WA with the Widi Mob	February 2011	Big Island Research
10	Amangu Ethnographic Site Identification Survey Report of the Proposed Power Line Substation and Power Line Upgrade TK130 – TK140, North-Eastern Wheatbelt, WA with the Amangu Traditional Owners	February 2011	Big Island Research

#	Title	Date	Heritage Consultancy
11	Ethnographic Heritage Survey Report, Yued Native Title Claim Group, Karara Mining Ltd, Final Report Eneabba – Rose Thompson Rd Power Transmission Line Project	February 2011	Big Island Research
12	Aboriginal Archaeological Site Salvage and Excavation within the Karara Mining Ltd Power Line Upgrade Project Area, Northeastern Wheatbelt, Western Australia	January 2012	Eureka
13	Aboriginal Archaeological Site Salvage and Excavation within the Karara Mining Limited Power Line Upgrade Project Area, Northeastern Wheatbelt, Western Australia	March 2012	Eureka
