

Bid Response Form Template for

Loader Procurement Project

1. Supplier Information

Item	Details
Supplier Name	
Contact Person	
Email	
Phone Number	
Quotation Validity (Days)	
Payment Terms Response	[Compliant / Modified: _____]
Delivery Location Confirmation	Karara Mine Site [Confirmed / Modified: _____]

2. Equipment Supply Response

Equipment Model	Quantity	Brand	Compliance with Technical Specifications (Y/N/Partial)	Deviation Description (If Any)	Confirmation of Core Parameters (Meet/Exceed/Not Meet)
Small Skid Steer Loader (850-1600kg)	1				

2.6T Skid Steer Loader (2600-3200kg)	2				
Wheel Loader (2.1-5.0m ³ Bucket Capacity)	2				

3. Compliance Documents Response

Required Compliance Document	Provided (Y/N)	Document Number/Expiry Date	Remarks
Australian DMIRS Registration Certificate			
Tier 4 Final Engine Emission Certificate (NTC)			
ROPS/FOPS Certification (AS 2294.1, ISO 3449)			
ISO 9001 Quality Management System Certification			
Western Power Compliance Seal (Electrical Schematics)			
Fire Suppression System Certificate (AS 5062:2022)			
Corrosion Protection Certificate (AS 4312:2008)			

4. Delivery & Logistics Response

Item	Details
------	---------

Packaging Compliance (AS 4312:2008)	Compliant / Non-Compliant
Transportation Plan (Sea Freight/Customs Clearance/Inland Transport)	Sea freight to WA Port + AQIS BMSB treatment + customs duty exemption (Mining Act 1978 Section 123) + inland transport avoiding Aboriginal heritage areas
Main Roads WA Oversize Transport Permit (If Applicable)	
Estimated Delivery Lead Time (Weeks)	
Small Skid Steer Loader	
2.6T Skid Steer Loader	
Wheel Loader (2.1-5.0m ³)	
Delivery Checklist Confirmation (Include All Units/Accessories)	
☐ Small Skid Steer Loader (with bucket, boom support, reverse alarm, rotating warning light, etc.)	
☐ 2.6T Skid Steer Loader (with enclosed cab, A/C, attachments, etc.)	
☐ Wheel Loader (with quick coupler, rock bucket, fire extinguisher, etc.)	

5. Installation & Acceptance Response

Item	
On-Site Commissioning Team Arrangement	
FAT Implementation Plan (Tipping Load Test/Hydraulic Pressure Test)	Tipping load test (ISO 14397-1) + hydraulic peak pressure test ($\geq 110\%$ of design pressure); conducted by NATA-accredited third party; video recording provided
SAT Commitment (72-Hour Continuous Operation ≤ 1 Failure)	Confirmed / Modified:

Acceptance Document Submission Timeline	6. FAT report (English) submitted ____ days after test; SAT log + compatibility certificate submitted ____ days after on-site test
---	--

7. Documentation & Training Response

Required Document/Training	Provided (Y/N)	Details
Bilingual Operation Manual (English/Chinese)	Confirmed / Modified:	Chinese version for reference only, no legal effect
Bilingual Maintenance Manual (High-Dust Environment Chapter)		HEPA filter change cycle ≤250 hours (compliant with AS 2985:2009)
Electrical Schematics		With Western Power compliance seal
Spare Parts List (2-Year Maintenance Needs)		Including wear parts per AS 4772:2008
On-Site Training Sessions (Quantity)		____ sessions
Training Content Confirmation (Operation/Safety/Maintenance)		Operation of confined space work, safety lock usage, fire suppression system activation, high-dust environment maintenance

8. Warranty & After-Sales Service Response

Item	Details
Full Machine Warranty Period	

Wheel Loader: 24 months or 4000 hours (whichever comes first)	
Small/2.6T Skid Steer Loader: 12 months or 2000 hours (whichever comes first);	
Core Components Warranty	
Drive & Hydraulic System: 24 months or 4000 hours;	
Chassis & Structural Frame: 60 months or 12000 hours;	
Engine (Wheel Loader): 36 months or 6000 hours	
Western Australia Local Service Outlet Proof	[Provided / To Be Provided: _____]
Service Response Time Commitment	≤48 hours (on-site arrival for critical failures)
Spare Parts Inventory Guarantee (2-Year Needs)	[Confirmed / Modified: _____]
Emergency Spare Parts Delivery Time	≤72 hours within WA mining areas
Quarterly Operation Status Report Submission	[Confirmed / Refused: _____]

9. Partial Bid Declaration (If Applicable)

Items Not Bid	Reason for Not Bidding	Commitment to Future Supply (Y/N)

10. Additional Commitments

11. Authorized Signature & Date

Signature of Authorized Representative	Date
